Lr No B E 203/B & H 42, requesting sanction to meet the excess of Cost Rs 257-10-0 being the value of Cyanogen dust supplied to the Tumkur Town Municipality in September 1940

Cyanogas dust valued for Rs 575-4-0 is stated to have been supplied by the Health department to the Tumkur Town Municipality during September 1940, to combat the outbreak of Plague there. The Municipality has paid half the cost viz. Rs Rs 257-10-0 and have requested that the other half be met by Government, as the Municipality has spent a sum of Rs 323-10-1 on account of their normal conservancy staff etc, and the D of H recommends the request of the Municipality. The source from which the amount has to be met is not limited and

Under what G O or any other authority is this expenditure sanctioned or recommended?

What is the financial condition of the Tumkur Municipality? Can it meet the expenditure from its own budget provision?

Sir,

Re Moiety of cost of cyanogas dust supplied to the Tumkur Town to be met by Government

I have the honour to state that in connection with cyanogasing in Tumkur Town, on account of outbreak of plague, 500 lbs of cyanogas dust were supplied to the Tumkur Town Municipality in September 1940.

Out of the sum of Rs 515-4-0 due to the suppliers viz Messrs Indo-Agri Ltd , Madras, towards the cost of the cyanogas dust the Municipal Council, Tumkur, have paid half i e Rs 257-10-0 For the other half they have resolved that Government may be approached for payment in consideration of the fact that the expenditure on account of temporary cooly staff amounting to Rs 323-10-1 was met entirely out of Municipal Funds A copy of letter No A 6 C 1937/ 41-42, dated 26-10-1942 of the Deputy Commissioner, Tumkur, recommending the resolution of the Municipal Council is enclosed

The bill of the firm is partly paid and the balance of

Rs 257-10-0

Rs.257-10-0 is pending payment for nearly two years. The President of the Municipality was reminded for adjustment of the bill in full and the above requisition for moiety of cost being met by Government is now received.

Under the circumstances, I request you to be so good as to obtain and convey sanction of Government to the moiety of cost of the cyanogas dust, amounting to Rs 257-10-0 being met by Government.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR OF PUBLIC HEALTH.

Sir,

With refce to your letter no B Lr 2037/8 14 11 1942, requesting that the Govt may sanction an extra allowance of Rs 257-10-0 per mensem to the Sanitary Staff employed in the Cyanogas dust Supplier work, I am directed to state that fumigation of Chidambars is an obligatory duty of the Municipal Commrs under the Town Municipalities Act 1933 and that the Govt do not consider it necessary to sanction any extra allowance for the same.

Govt are however prepared to bear half the cost of the Cyanogas dust supplied to the Municipal Councils for the purpose during the current year from Govt funds.

To

The Director of Public Health
in Mysore, Bangalore.

SIR,

With reference to your letter No B E.2037 dated 14th November 1942, requesting that the Government may meet an expenditure of Rs 257-10-0 being half the cost of cyanogas dust supplied to the Tumkur Town Municipality in September 1940, I am directed to observe that suppression of epidemic is an obligatory duty of the Tumkur Town Municipal Council under the Mysore Town Municipalities Act 1933 and that there is not reason for the Government meeting half the expenditure recommended by you for the financial condition of the said Municipal Council is also sound and the amount involved is not also large. I am, therefore, to state that the Municipal Council has to pay the entire cost in
